

Criteria, Run Together

We must all consider what it takes to bring all sides to see deep feelings
Hope and pray, peace one day
There is a way to make it work so it dont have to hurt

All the condescending eyes begin to run together
Youre caught in a voice, youre caught in a lie
From which you cant recover

Change of heart, change of mind
Sore again just to find it, find its true

Dont cut yourself with razorblades
Just to say you feel their pain,
Cause you dont seal it.
If we could meet halfway, then wed say:
There is a way to make it work so it dont have to hurt

All the condescending eyes begin to run together
Youre caught in a voice, youre caught in a lie
From which you cant recover

Change of heart, change of mind
Sore again just to find
A heartwarming story that the kids can rally around
Oh, but in the end there is no common sense
