

# Crooked X, You Gotta Bleed

Fourth down, 50 to go  
One more chance, one more hope  
Hail Mary, right down the line  
Gotta take my shot, now's my time

I shoot, tryin' to score  
If I miss, I try some more  
Might be down, but never out  
In case you ever had a doubt

Well they might beat me  
But it won't defeat me...

You gotta bleed sometimes  
To get what you need sometimes  
Sooner or later you're gonna see  
You gotta bleed

When you're in the game  
You're gonna have to feel some pain  
It's not easy findin' out  
That's what it's all about

At the bottom lookin' down  
What goes around, comes back around  
You gotta do what you gotta do  
To find a way to make it through

Well it might shake me  
But it won't break me...

You gotta bleed sometimes  
To get what you need sometimes  
Sooner or later you're gonna see  
You gotta bleed
