

# Crosby & Nash, Chicago

Though your brother's bound and gagged  
And they've chained him to a chair  
Won't you please come to Chicago  
Just to sing  
In a land that's known as freedom  
How can such a thing be fair  
Won't you please come to Chicago  
For the help we can bring  
We can change the world  
Re-arrange the world  
It's dying - to get better  
Politicians sit yourself down  
There's nothing for you here  
Won't you please come to Chicago  
For a ride  
Don't ask Jack to help you  
'Cause he'll turn the other ear  
Won't you please come to Chicago  
Or else join the other side  
We can change the world  
Re-arrange the world  
It's dying - if you believe in justice  
It's dying - and if you believe in freedom  
It's dying - let a man live it's own life  
It's dying - rules and regulations, who needs them  
Open up the door  
Somehow people must be free  
I hope the day comes soon  
Won't you please come to Chicago  
Show your face  
From the bottom to the ocean  
To the mountains of the moon  
Won't you please come to Chicago  
No one else can take your place  
We can change the world  
Re-arrange the world  
It's dying - if you believe in justice  
It's dying - and if you believe in freedom  
It's dying - let a man live it's own life  
It's dying - rules and regulations, who needs them  
Open up the door  
We can change the world
