

# Crosby, Stills & Nash, Unequal Love

Like a whisper on the wind  
Sometimes the wind don't want to hear about it  
Like a sailboat on the sea  
Sometimes the ocean just don't care about it

There are many, many feelings that can tear your soul apart  
But the pressure of unequal love is hard  
'Cause the price you have to pay is that the pain won't go away  
Unequal love

Did you ever stay too long  
With a lover who was over you  
You had the feeling it was wrong, so wrong, so wrong  
But you loved so hard there's nothing you can do

There are many, many heartaches when you're up against the wall  
And all the love you give won't come back at all  
And no matter what you do it really hurts to know the truth  
Love is unequal sometimes

When you have a change of heart  
'Cause you've found that you can trust somebody Trust somebody  
They'll tear the arrow from your heart  
It's you they'll love it's not just anybody Anybody

There are many, many reasons not to play the game at all  
But in the meantime you are bound to fall  
'Cause your wounds are gonna heal you're gonna learn just how to deal  
How to deal with unequal love  
Unequal love, unequal love
