

# Crosby, Stills, Nash & Young, Everybody I Love You

by Neil Young and Stephen Stills

Know you got to run  
Know you got to hide  
Still there is a great life  
Engrained deep within your eyes  
Open up, open up  
Baby let me in  
You expect for me to love you  
When you hate yourself my friend la la la ...

Everybody I love you  
Everybody I do  
(oh yeah)  
Though your heart is an answer  
I need your love to get through  
(oh yea, I really do now)  
When I tell you I love you  
(when I tell you)  
You can believe that it's true  
(oh yes it is)

Everybody I love you  
Everybody I do  
(oh, yes I really do now...)
