

# Crosby, Stills, Nash & Young, Love The One You

If you're down and confused  
and you don't remember who your talking to  
your concentration slips away  
because your baby, is so far away

And there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with

Don't be angry  
Don't be sad  
Don't sit cryin' over good times you had  
There's a girl right next to you  
And she's just waiting for something to do

And there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with  
Love the one you're with  
Love the one you're with  
doo doo doo...

Love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with

Turn your heartache into joy  
She's a girl and you're a boy  
Get together, make it tonight,  
You ain't gonna need no more advice

And there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with  
Love the one you're with  
Love the one you're with  
Love the one you're with  
doo doo doo...
