

Crosby, Stills, Nash & Young, Love The One You

If you're down and confused
and you don't remember who your talking to
your concentration slips away
because your baby, is so far away

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey, love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Don't be angry
Don't be sad
Don't sit cryin' over good times you had
There's a girl right next to you
And she's just waiting for something to do

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey, love the one you're with
Love the one you're with
Love the one you're with
doo doo doo...

Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Turn your heartache into joy
She's a girl and you're a boy
Get together, make it tonight,
You ain't gonna need no more advice

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love
Honey, love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with
doo doo doo...
