

# Cross Canadian Ragweed, Blues For You

Well I miss you baby  
I gotta get back home to you  
Well I miss you baby  
I gotta get back home to you  
Ive seen a million women  
Only one of them will do

Well Im east of somewhere  
You know what I mean  
Well Im west of nowhere  
And all points in between

Up or down  
North or south  
Right or wrong  
Im inside out  
Gotta get back

I know youre cryin  
Cryin for your man  
Baby, Im tryin  
Tryin hard to understand

Another turn, the rubber burns  
No one else is my concern  
I gotta get back

Well I miss you baby  
I gotta get back home to you  
Well I miss you baby  
I gotta get back home to you  
Ive seen a million women  
Only one of them will do
