Cross Canadian Ragweed, Blues For You

Well I miss you baby I gotta get back home to you Well I miss you baby I gotta get back home to you Ive seen a million women Only one of them will do

Well Im east of somewhere You know what I mean Well Im west of nowhere And all points in between

Up or down North or south Right or wrong Im inside out Gotta get back

I know youre cryin Cryin for your man Baby, Im tryin Tryin hard to understand

Another turn, the rubber burns No one else is my concern I gotta get back

Well I miss you baby
I gotta get back home to you
Well I miss you baby
I gotta get back home to you
Ive seen a million women
Only one of them will do
