

# Cross, Contact

Feeling strange, turn around do it again  
Feeling alright, feel like contact tonight  
Well you know what it says and you know what you feel  
And you know what it's like and you know it's for real  
Take it to the limit, take it to the height  
Take it to the limit, contact tonight  
Don't speak, don't break the spell  
Let's dance, you dance so well  
I contact you, you contact me  
Across the room our glances meet  
I contact you, eye contact, eye contact  
Feeling fine, feel like dynamic  
Eyes speak more than words can say  
Sparks fly eye contact is made  
Well you know what it says  
And you know what you feel  
Well you know what it's like  
And you know it's for real  
So take it to the limit, take it to the height  
Take it to the limit, contact tonight  
Breathe deep let your feelings show,  
Let's dance but not too slow  
I contact you, you contact me, across the room  
Our glances meet, I contact you...  
Eye contact, eye contact  
Take it to the limit, take it to the limit,  
Eye contact, eye contact...
