

# Crossbreed, Lost Soul

facing, drifting which way should it be down under beneath, the soul is lost  
now absent minded i dont and i dont like it so show me the new way to my soul

embracing onto the life that was given to you and gripping tasted much time  
that youve wasted and death will haunt you will it lead you to fighting off the  
will to find my soul again now its time to take a lose your soul again facing  
drifting which way should it be down under beneath the soul is lost now  
absent minded i dont and i dont like it so show me the new way to my  
sould now i found my lost soul but its all broken down  
embracing onto the life that was given to you and gripping  
tasted much time that youve wasted and death will haunt you  
will it lead you to fighting off the will to find my soul again  
now its time to take a good look at you and think about this second chance  
that youve been given at life so dont abuse the time  
cause if you fuck up you will lose your soul again  
i found my lost soul but its all broken down
