

Crossfade, Everything's Wrong

It hurts to be alone in the cell I call my home.
But it heals me in my mind without you by my side.
I feel so down and out and you never knew that about me.
When you fought this all away and now I know it was no mistake.

But it's all gone.

Nothing feels good anymore,
everything's wrong yeah!
Nothing feels right anymore.
I'm a slave to my anger,
everything holds me down,
so I won't try anymore.

But it's all right.

I left without a plan, I knew you would not understand.
It all builds up to this day, made it too hard along the way.
I felt so full of doubt at the thought of running out kills me.
And I kept it close to home but I love being all alone.

When it's all gone.

Nothing feels good anymore,
everything's wrong yeah.
Nothing feels right anymore.
I'm a slave to my anger,
everything holds me down.
So I won't try anymore.

And I'm still hanging on and I tried so hard for you.
And I'm still holding on and I've tried my best for you.

Oh nothing feels good anymore,
everything's wrong yeah.
Nothing feels right anymore.
I'm a slave to my anger,
everything holds me down,
so I won't try anymore.

But it's all right.
