

# Crowbar, Dream Weaver

I have just closed my eyes again  
Climbed aboard the dream weaver train  
Driver take away my worries of today  
And leave tomorrow behind...  
Dream weaver... I believe you can get me through the night  
Dream weaver... I believe we can reach the morning light  
Fly me high through the starry skies  
Or maybe to an astral plane  
Cross the highways of fantasy  
Help me to forget today's pain...  
Dream weaver... I believe you can get me through the night  
Dream weaver... I believe we can reach the morning light  
Though the dawn may be coming soon  
There still may be some time  
Fly me away to the bright side of the moon  
And meet me on the other side...  
Dream weaver... I believe you can get me through the night  
Dream weaver... I believe we can reach the morning light
