

Crowded House, It's Only Natural

Ice will melt, water will boil
You and I can shake of this mortal coil
It's bigger than us
You don't have to worry about it

Ready or not, here comes the drop
You feel lucky when you know where you are
You know it's gonna come true
Here in your arms I remember

It's only natural that I should want to be there with you
It's only natural that you should feel the same way too

It's easy when you don't try going on first impressions
Man in a cage has made his confession now
You've seen me at my worst
And it won't be the last time I'm down there

I want you to know I feel completely at ease
Read me like a book that's fallen down
Between your knees, please
Let me have my way with you

It's only natural that I should want to be there with you
It's only natural that you should feel the same way too
It's circumstantial, it's nothing written in the sky
And we don't have to try

But we'll be shaking like mud, buildings of glass
Sink in to the bay, they'll be under the rocks again
You don't have to say
I know you're afraid

It's only natural that I should want to be there with you
It's only natural that you should feel the same way too
It's circumstantial, it's something I was born to
It's only natural, can I help it if I want to
