

Crowded House, Something So Strong

Love can make you weep
can make you run for cover.
Roots that spread so deep
bring life to frozen ground.
Something so strong could carry us away
Something so strong could carry us today.
Turning in my sleep
love can leave you cold
The taste of jealousy is like a lust for gold.
Something so strong could carry us away
Something so strong could carry us today.
I've been feeling so much older
Frame me and hang me on the wall.
I've seen you fall into the same trap
This thing is happening to us all.
Something so strong could carry us away
Something so strong could carry us today.
Something so strong
something so strong
Something so strong
something so strong
