Crowded House, Something So Strong

Love can make you weep can make you run for cover. Roots that spread so deep bring life to frozen ground. Something so strong could carry us away Something so strong could carry us today. Turning in my sleep love can leave you cold The taste of jealousy is like a lust for gold. Something so strong could carry us away Something so strong could carry us today. I've been feeling so much older Frame me and hang me on the wall. I've seen you fall into the same trap This thing is happening to us all. Something so strong could carry us away Something so strong could carry us today. Something so strong something so strong Something so strong something so strong
