

Crucified, G.O.D.

carnal christians
carnal minds
if you don't want to be
the carnal kind
keep our eyes on Jesus
and soon you'll find
you'll be leaving those
carnal ways behind

(chorus)
G-O-D
keep your eyes on God
G-O-D
and he won't steer you wrong
G-O-D
he'll show you the way
G-O-D
and you won't go astray

garbage in
garbage out
listen to those doubters
soon you'll be in doubt
keep your eyes on Jesus*
and take a stand*
don't treat your brain*
like a garbage can*

(chorus)
bible says you shouldn't
satan says you can
he'll do anything
just to ruin God's plan
repeat*

(chorus x2)
