

# Cruel Intentions, Bittersweet Symphony

Cuz it's a bittersweet symphony, thats life  
trying to make ends meet  
you're a slave to money then you die  
I'll take you down the only road I've ever been down  
Ya know the one that takes you  
to the places where all the things we give

Wont change  
I can't change (x3)  
But im here in my mode  
I am here in my mode  
But I'm a million different people from one day to the next  
I can't change my mode no no no no no

Well i never pray but tonight i'm on my knees yea  
I need to hear some sounds that recognize the pain in me yea  
I let the melody shine, let it clenze my mind, I feel free now  
But the airways are clean and theres nobody singing to me now

Wont change  
I can't change (x3)  
But im here in my mode  
I am here in my mode  
And I'm a million different people from one day to the next  
I can't change my mode no no no no no  
(have u ever been down)  
I can't change it  
I can't change it

Cuz it's a bittersweet symphony, thats life  
trying to make ends meet  
Try to find some money then you die

And no,  
I can't change (x4)  
But im here in my mode  
I am here in my mode  
And I'm a million different people from one day to the next  
I can't change my mode no no no no no
