

Crush 40, His World

Beware the time as it moves along,
Taking you back, always feeling strong
Like the rush of the wind,
He moves on and on and on and on and on
He's the fire, flame, conflicting pain
Untouched, uncrushed, he will remain
The one, two, three, four
Heading straight for an open door
He can see, and he can feel
With that one touch, it seems unreal
But it's true,
The power lives inside of you
Inside of you, yeah

In this world, his world
Where life is strong (Life is strong)
In this world, his world
Life's an open book (Life's a book)
In this world, his world
Compromise does not exist
In this world of worlds
Every step meets the risk
In this world, his world
One is all (One is all)
In this world, his world
Never fear the fall (Never fear the fall)
In this world, his world
Compromise does not exist
In this world of worlds
Every step meets the risk

Beware of your mind as it proves you wrong,
A forward push as the clock strikes strong
Like the rush of the wind,
He moves on and on and on and on and on
He's the tower of power, admits no shame
Untouched, uncrushed, he will remain
The one, two, three, four
Heading straight for an open door
He can see, and he can feel
With that one touch, it becomes surreal
But it's true,
The power lives inside of you
Inside of you, yeah

In this world, his world
Where life is strong (Life is strong)
In this world, his world
Life's an open book (Life's a book)
