

Crush, Fine

I thought I know you much better, seems you
proved me wrong.
I never dreamed I could live without you, now my
dreams are gone.
Funny how the hands of time can wash away this
pain of mine,
I think I'll be just fine.

Chorus:

I'm getting by, life ain't so bad without you.
I haven't died, just like you thought that I'd do.

Now I know just where I'm going, no longer
blinded by your charm.
I figured out though I may stumble, I will not fall
into your arms.
Even though I'm all alone I will not sit here by the
phone,
I think I'm doing fine.

Bridge

I would never get you out of all my thoughts, my dreams, my head, your wrong.
It didn't take that long.
