

Crushead, Last Chapter Ending

it was a cold and lonely night
when the car crushed down
down in the river
and a spark of life went out
the boy inside lost his fight
against the coldness
and it's hard for me to believe
that it was you

hey my friend
you had to sail over this ocean
of tears undryable
i can't believe you're gone now
my mind's filled up with distortion
may god take you safely in his arms

now time has healed the wound
deep in my soul
but a scar is left
and makes the pain behold
i'll never forget
the look in your parents eyes
may the lord dry their tears
and lead them through this life

hey my friend...

i have to realize life goes on
may the memory never stop
at the end there stays this question: why ?
this is my last goodbye

hey my friend...
