

# Crushead, Tool

You said that Im your friend  
that Im the most important person in your life  
And I said I would do everything for you  
Ill help you through all pain and strife  
What a fool I have been  
now I realize you used me all the time

Dont use me as a tool  
Dont treat me like a fool

All the time through our friendship  
I always stood to you  
And now you left me alone on my way  
and I dont know what to do  
But dont you ever think  
Ill never get on  
I know I have my own way

Dont use me as a tool  
Dont treat me like a fool

Cause my souls not made of steel

Dont use me as a tool  
Dont treat me like a fool
