

Crushead, Tool

You said that Im your friend
that Im the most important person in your life
And I said I would do everything for you
Ill help you through all pain and strife
What a fool I have been
now I realize you used me all the time

Dont use me as a tool
Dont treat me like a fool

All the time through our friendship
I always stood to you
And now you left me alone on my way
and I dont know what to do
But dont you ever think
Ill never get on
I know I have my own way

Dont use me as a tool
Dont treat me like a fool

Cause my souls not made of steel

Dont use me as a tool
Dont treat me like a fool
