

CRYPTA, I Resign

Severely traumatized
Safety jeopardized
Profoundly overwhelmed
No future, abandoned
Asylum I seek from
An intolerable reality
Shelter I seek from
Inescapable suffering
Helpless in this limbo
I resign
Giving up all hope
I resign
Unconscious, unresponsive
Benumbed, feel no pain
Catatonic, lethargic
Lifeless in a comatose state
Now
Now
A safe haven
Something to live for
Security will
Free me from this stupor
Severely traumatized
Safety jeopardized
Profoundly overwhelmed
No future, abandoned
Asylum I seek from
An intolerable reality
Shelter I seek from
Inescapable suffering
Helpless in this limbo
I resign
Giving up all hope
I resign
I resign
I resign
