

# Cryptic Slaughter, Rage To Kill

A victim is chosen  
His future awaits  
Someone is watching  
No one can tame  
Satisfied hunger  
Hatred within  
Can't go on longer  
Internal conflict

The psycho wants  
Innocent blood  
Kills without fear  
Living a hell  
Tortured by guilt  
Outrage survives  
Violence, his truth

Rage to kill  
Blood will spill  
Blinded sight  
Lie from fright  
With no compassion  
Fear breeds his hate  
Constantly watching  
Deceiving the state  
Threatened by no one  
Too smart to get caught  
Always remembers  
The hatred he fought

He cried out for help  
But nobody hears  
He knows that he's insane  
Reflecting his fears  
Only a shotgun  
Will answer his prayers  
Attacking society  
Because nobody cares
