Crystal Castles, Insection

I, insectica fly thru dimensia you give me more than meets the eye you give me more than i can't deny a thousand eyes thru your soul a thousand eyes over me your power eclipses me as i take my place beneath thee i want to be in your colony i want to serve your queen for the venom through iron wings still beats in symatry deathray deathray you're gay deathray straight to my heart she tears apart you have the right to remain in pieces you have the right to own my heart now i am a part of your colony now i live to serve your queen as the venom through iron wings still beats in symatry
