

# Crystal Eyes, Metal Crusade

Music: Mikael Dahl - Lyrics: Mikael Dahl

Hey Metalhead! It's time to wake the dead  
Step out of the shade, and join the great crusade  
Ill be your guide on this glory ride,  
and you will be my crowd. United, strong and loud

Pre Chorus

It's in our hearts, souls and blood forever,  
and nobody can change it. No never!  
Since the day we where born, we've been bound  
to its powerful sound

Chorus

Heavy Metal Is our sound  
Heavy Metal Is our ground  
Heavy Metal Heavy Metal  
Come join the Metal Crusade

Solo Dahl

Fist in the air, I see them everywhere  
Now they have to see what has got to be  
Screaming guitars heading for the stars  
Its time to let it out, so raise your voice and shout!

Pre Chorus

Chorus

Heavy Metal Roars in our brains  
Heavy Metal Runs in our veins  
Heavy Metal Heavy Metal  
Come join the Metal Crusade

Solo Both, Dahl, Both

It's our religion

Chorus

Heavy Metal The only way  
Heavy Metal Is here to stay  
Heavy Metal Heavy Metal  
Always forever

Heavy Metal - Heavy Metal  
Heavy Metal - Heavy Metal  
Come join the Metal  
Metal crusade
