## Crystal Fighters, Plage

Do you want to go to the plage with me? I'm going down-down-down there for the morning, most beautiful girl I've ever seen. Calm down-down-down, my love is calling.

Do you want to go to the plage with me? I'm going down-down-down there for the morning, most beautiful girl I've ever seen. Calm down-down-down, my love is calling.

Come over here with your heart And I will love your heart with mine.

Do you want to go to the plage with me? I'm going down-down-down there for the morning, most beautiful girl I've ever seen. Calm down-down-down, my love is calling.

It's half-past the moonlight. Nobody would see us go. (And I wonder) If.... Maybe you will look into my eyes and you will see just what you done to me.

Time is short. You know you live one life. It was love at first sight. And being by your side is the only thing on my mind
