Crystal Gayle, Wrong Road Again

I can't seen to learn not to love you You get to me everytime You're someone I just can't say no to And you sure put a change in my mind

CHORUS

Here I go down that wrong road again Goin' back where I've already been Even knowin' where it will end Here I go down that wrong road again

Though I've seen the way that you're weavin' You and your soft easy lines
Before I stop to think I'm believin'
And I'm fallin' for you one more time

CHORUS

Here I go down that wrong road again Goin' back where I've already been Even knowin' where it will end Here I go down that wrong road again X2

Here I go down that wrong road again Goin' back where I've already been Even knowin' where it will end Here I go down that wrong road again (fading)
