Lets go out tonight
So we can have a good time
Don't want you to be uptight
we can do anything u like
you need to
chill out and let go sometimes
feel free to let yourself say
kirakuni take it easy
throw your hands up if you feel me

*3 slow it down
and turn the music up
come on its party time
start dancing and you'll smile
if you just
chill out and let go sometimes
feel free to let yourself say

ya troubles away

kick back relax
if wanna unwind
loosen up let your body decompress
tossin' turnin'
make you calm when you're feeling restless

and a few friends with smiling faces

To break out of the day to day grind
