

# Crystal Kay, More Lovin'

I love you babe, I trust in you, and I'll always be here...  
but you gotta give me more...

I thought you said love is gonna make things alright  
love is gonna take us to the light...  
I thought you said love is gonna make things alright  
I thought you said love is gonna take us to the light...

Livin' with you 'someday dreamer'.  
No telling when the dream will find place to grow and to bloom  
Still I find it's good enough for us two oh-oh-oh-oh  
If you'd only give more love for me to hold-oh-oh

\*1 If you give me something deeper  
I'll stay your believer oh-oh-oh  
If you give me something deeper oh-oh-oh-oh  
I don't wanna wait

\*2 I thought you said love is gonna make things alright  
I thought you said love is gonna take us to the light...  
(x2)

Knowing how you work all night,  
I couldn't ask for you to find time to hold me all night  
Still I find a bit more lovin' oh-oh-oh-oh  
A bit more kissing and carressing won't hurt

\*1, \*2 repeat

If it's gonna be love-(You're my life You're my life my life)  
You've got your baby love  
Just gotta give me more than people  
(You're my life You're my life my life)  
You've got your baby love  
You better save if it's gonna be us, if it's gonna be us

\*2 repeat
