

# Crystal Lewis, Don't Wanna Go Down There

copyright 1999 Metro One/ASCAP

If I die young, don't wanna go down there 3x  
Don't wanna go, no I don't wanna go, said I don't wanna go down there

Ain't no water down yonder, don't wanna go there 3x  
Don't wanna go, no I don't wanna go, said I don't wanna go down there

Well I went down near the deceiver  
And I'll tell you the reason why  
I told my Lord before me  
That I wouldn't be ready to die

Ain't no joy down yonder, don't wanna go there 3x  
Don't wanna go, no I don't wanna go, said I don't wanna go down there

There's a hell down yonder, don't wanna go there 3x  
Don't wanna go, no I don't wanna go, said I don't wanna go down there
