

Crystal Lewis, Frustrated

copyright 1987 Bill Baumgart, Tim Heinz, Micheal Campion, Craig Friberg

[Chorus]

Frustrated, aggravated, each time I fall
Frustrated, simply stated, wait on his call

The walls are closing in around me
I know you feel the same way too
He's never left me since he found me
The only light that's shining through
If I can hang ona little longer
He's making our bonda little stronger

[Chorus]

Your life is like a roller coaster
Climbing to the very top
I think there's something you should know sir
Your headed for the deepest drop
If I can hang ona little longer
He's making our bonda little stronger

[Chorus]

If we can hang ona little longer
He'll be making our bonda little stronger
