

Crystal Lewis, Remember Who You Are

copyright Crystal Lewis

My daddy always told that his mamma always said
"No matter what you become in this life,
Whether big or small n the eyes of men
You'd remember who you are in the eyes of God"

Remember who you are in Jesus
He sees you as his own it pleases Him to know that you
Remember who you are in Jesus
It's His name you wear
My child, remember who you are

So I am giving you now
This legacy of love
The greatest gift that I can give you is to pray
That whether big or small
In the eyes of men, You'd remember who you are
In the eyes of God

Remember who you are in Jesus
He sees you as his own it pleases Him to know that you
Remember who you are in Jesus
It's His name you wear
My child, remember who you are

There is a song living deep within your soul
As life goes on that soul begins to grow
Until the day when the world will need to know
Who you are...Remember who you are
