

Crystal Viper, Greed Is Blind

They lived in poverty,
fed by a vain hope, that it will change
Then there came a Stranger -
"I will grant all of your wish" he said.

Bridge:

Do not you ask, you will regret it, you'll see!
Do not you ask, even if you live unhappily!

Your wish came true!
It's time to pay - you lost eyesight!
What shall you do?
Nothing, because the greed is blind!

They will sacrifice everything
to achieve fortune and fame!
He knows where to go to,
but they must be blind to find the right way

Bridge:

Do not you ask, you will regret it, you'll see!
Do not you ask, even if you live unhappily!
