

Crystal Waters, You Turn Me On

You turn me on
You turn me on
Turn me on
Turn me on

You turn me on
You turn me on
Turn me on
Turn me on

You turn me on
C'mon now, honey
You know you really turn me on
You know you really turn me on
C'mon now, honey
You do.. you do
And when, when oh when you do it
Uh, uh, uh, ohh, that's my song
(you turn me on)

C'mon now, baby
C'mon and do the jerk with me
C'mon and do the jerk with me
C'mon now, baby
Let's do it... let's do it
Uh, uh, uh, ohh, that's my song
But if, if but if you do it
Let's do it... let's do it
You turn me on
Let's do it... let's do it

C'mon now, sugar
C'mon and just be good to me
C'mon now, sugar
C'mon and just be good to me
Let's do it... let's do it
And when, when oh when you do it
Uh, uh, uh, ohh, that's my song
Let's do it... let's do it

You turn me on
Let's do it... let's do it
And do some crazy things with me
Just go crazy
And do some crazy things with me
Just go crazy
Let's do it... let's do it
But if, if but if you do it
Uh, uh, uh, ohh, that's my song
Let's do it... let's do it
Let's do it... let's do it... let's do it
You turn me on

Do it do it

Do it do it

Do it do, do it
Do it do it
