

CSS, Madonna Dos Infernos (Hollywood)

Everybody comes to Hollywood
They wanna make it in the neighbourhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good?
Shine your light now
This time it's got to be good
You get it right now
Cause you're in Hollywood

There's something in the air in Hollywood
The sun is shining like you knew it would
You're riding in your car in Hollywood
You got the top down and it feels so good

Shine your light now
This time it's got to be good
You get it right now yeah
Cause you're in Hollywood
