

CSS, Meeting Paris Hilton

I, I went to the bitch - the bitch was so hot
She came to me and said:
"Do you like the bitch, bitch?"
I said back - I wanna take you home, bitch
Cause I wanna treat you good, bitch
What do you think of it, bitch?

The bitch said yeah
(The bitch said yeah)
The bitch said yeah yeah yeah yeah
The bitch said yeah
(The bitch said yeah)
The bitch said oh yeah! hell yeah! damn yeah!

I wanna be... your summer Hilton time
With five diamond stars like your dad biggest car
I wanna go to the Hiltons all over the world
And I wanna be... just like you, bitch

The bitch said yeah
(The bitch said yeah)
The bitch said yeah yeah yeah yeah
The bitch said yeah
(The bitch said yeah)
The bitch said oh yeah! hell yeah! damn yeah!

I... I went to the bitch - the bitch was so hot
She came to me and said:
"Do you like the bitch, bitch?"

Do you like the bitch, bitch
Do you like the bitch, bitch
Do you like the bitch, bitch
