

Cuco, First Of The Year

Feels like
Feels like
I'm so alive
For the first time
For the first time
Of my life

It's the first of the year
It all seems so clear
Cus you're here with me
Close to me

I want you to know
I love how you show
That you care for me
And only me

Take your time to think
The words you want to speak
The times that you're with me
The vibes that we release

We look up at the clouds
What life could be about
And I'm reminded of
The times we fell in love
