

# Culcha Candela, Next Generation

culcha candela one more time now

it`s all about di next generation  
where people get ready fi crossover stylee  
it`s di next generytion  
we mix up dancehall hip hop and reggae now  
next generation  
worldwide you see we unite  
fi di next generation  
now we say knowledge and style move on

-lafrotino-

esta nueva generaci&#oacute;n te trae una nueva sensaci&#oacute;n  
la escucharas en cada ocasi&#oacute;n en cada radio estaci&#oacute;n  
ahora quien nos va a parar quien lo quiere intentar  
sin cultura no hay candela y tu no lo podras lograr

-johnny-

and again here we comewith the positive vibe with or without mic  
gotta work fi our future gotta see the responsibility of the next generation  
youth jau

se we livin in a time of decision and use our energy to make a changeis our mission am a son of th

chorus

-larsito-

next generation we are more than just fun  
our responsibility is to carry on the music  
that our ancestors once gave to us  
they might rest in peace but their spirit is alive

-itchy-

wir sind die generation die sachen macht die gabs noch nie  
wir bringen mixed up new stylee das ist die new school ecstasy  
worldwide weltweit schreien wir nach unity  
denn wir battlen nie wir bilden uns ne massive  
community  
manch einer muss noch begreifen dass schwarze nicht neger heissen  
look at us wir haben spa und lassen jetzt die frchte reifen  
es gab die 90s mit der generation x jetzt ist 2000 und 5 und wir sind generation next

chorus

-reedoo-

you hear me coming from the dark moving to see a brighter day  
with sunshine fi everybody  
stepping out the dust from a not to a yeah yeah yeah  
spreading bare positivity  
you haffi clean up your heart your mind mind and your talk all day  
conscious fi iver we stay  
coming from the dark and were moving to a brighter day  
let the sun shine pon your way
