

# Current 93, Fields Of Rape (Sightless Return)

In a foreign land  
In a foreign town  
Reaping time had come

We fall back into  
Fields of rape  
My love

And this was the way  
And those were the horrors  
As father went reaping

He fell back into  
Fields of rape  
My love

Crushed crushed crushed  
You stand there laughing  
Crushed crushed crushed  
You stand there grinning

You fall back info  
Fields of rape  
My child

In a foreign land  
In a foreign town  
Reaping time shall come
