

Cursive, Nonsense

do-do-do-do-do-do-do-do-do
bah-duh-buh-buh-buh-buh
does it matter now, what the songs about?
do-do-do-do-do-do-do
buh-duh-bu-buh-buh
does it matter now, what the songs about?

i really dont want to write another "im a dick" song again.
does it matter now, what the songs about?
my my oh my oh bed shak i keep saving its deafening
does it matter now, what the songs about?

no matter what i did no matter what i said
it doesnt matter know, youve gotta figure it out
we can continue on such non-sense to fill the days
and we wont speak of ugly things
but when these lyrics come out youll scream at me
one foots in your mouth, the other ones in your grave

so sing your heart outloud, sing your heart outloud
sing your heart outloud
do-do-do-do-do-do-do-do-do
bah-duh-buh-buh-buh-buh
sing your heart out loud
im a dead man from singin
sing your heart out loud
