

# Curt Smith, Calling Out

Dear God  
I'm doing the best I can  
I'm doing the best I can  
I'm doing the best I can

Spinning round  
Falling down  
World just keeps on turning  
Chaos breeds  
People's needs  
When we should be learning  
And I want something more  
For you and me to dream on  
Oh I've been looking for something to believe  
So now it's time for letting go  
I've got to let my feelings show  
I won't be coming back  
I'm calling out around the world, calling out

Calling out around the world  
I'm telling everyone I see  
Time to take a chance again  
And free the dream, the dream in me

Dear God  
I'm doing the best I can

Love me now  
Show me now  
I forgot the feeling  
Take me there  
Anywhere  
Hatred turns to healing  
'Cause I want something more  
That I can put my faith in  
Oh I've been looking for  
Something to believe  
And now it's time for letting go  
I've got to let my feelings show  
I won't be coming back  
I'm calling out around the world, calling out

Chorus

Dear God  
I'm doing the best I can  
I'm doing the best I can  
I'm doing the best I can
