

Curve, Frozen

In my eyes you smile like an angel
Blessed with love, in this deep mine
In my mind you sound like a creature
Blessed with soon, in this deep mine
In my heart, and in my soul
And everywhere I go
You are with me
I can feel you everywhere
Certain something in the air
You are with me
You are with me
Anyway, you cry like a baby
Blessed with (...), in this deep mine
You were born, and I were born
Waiting true for long to know
I will be, in this deep mine
In my heart, and in my soul
And everywhere I go
You are with me
I can feel you everywhere
Certain something in the air
You are with me

In my heart, and in my soul
And everywhere I go
You are with me
I can feel you everywhere
Certain something in the air
You are with me
You know, that man next door
Is getting on my nerves
Cos he's so rich in his low down politics
And you know his wife
She's such a pretty thing
