

# Cut Copy, Saturdays

When I am looking for you,  
I call your number  
but I can't get through.

When I am looking for you,  
I call your number  
but I can't get through.

When I am looking for you,  
I call your number  
but I can't get through.

When I am looking for you,  
I call your number  
but I can't get through.

There is a feeling in me  
and I don't know why.  
Is there a feeling in you  
that you can't deny?

There is a feeling in me  
and I don't know why.  
Is there a feeling in you  
that you can't deny?

There is a feeling in me  
and I don't know why.  
Is there a feeling in you  
that you can't deny?

There is a feeling in me  
and I don't know why.  
Is there a feeling in you  
that you can't deny?

There is a feeling in me  
and I don't know why.  
Is there a feeling in you  
that you can't deny?
