Oh, so youre the man who comes to sweep my yard

The Yard Man

I like that broomstick youre carrying

Yes baby, I like it!

Oh yes baby, I like it what you do with my yard

You do work well

The Yard Man

I want you to take your broom, and sweep my yard

Youd better brush it good, or were gonna fall apart

Dont give me no shorcutting, you have all day and night

I have a satisfiser

Youd better do it right

Put your back in it!

Just a little more,

Throw your waste in it now!

Tell your body again,

Howd you go down town.

Come up (* 4)

With that bedroom stick

Now youre even back,

Like you were a brick.
