

Cyndi Lauper, Edge Of The Earth

Spent a lot of time looking for me in your eyes
Spent a lot nights sitting on the edge of our bed
Then i realize that this time, time wont die
That people like myself don't compromise this well
I won't fall off the edge of the earth
I won't let go so easily
I won't fall off the edge of the earth
I won't let go so easily
Next time that lucky penny that you find will be me.
Used a lot of words that you never want to hear
Used myself us trying to explain and be clear
And I realize we mean the things we say
And when you turn the page the words don't go away
I won't fall off the edge of the earth
I won't let go so easily
I won't fall off the edge of the earth
Next time that lucky penny that you find will be me
Next time that lucky penny that you find will be me
Christopher Columbus ain't got much on me
And maybe just like Moses I will part the sea
I won't fall off the edge of the earth
I won't let go so easily
I won't fall off the edge of the earth
Next time that lucky penny that you find will be me
I won't fall off the edge of the earth
I won't let go so easily
Gonna hold on for all that worth
Next time that lucky penny that you find will be me
Next time that lucky penny that you find will be me
