

Cyndi Lauper, Flyer

When you wish upon a star
Makes no difference who you are

Flyer fly me away
Higher til I can't see
Glider keeper of my dreams
Of whatever once was me

I was thinking of you
I was thinking all I was just thinking
Fly me away
Flyyyyyyyyyyyyyyyer
You could make it last a long time
Well for all time
And for always
You could make it last forever
Was just thinking
Oh I was just thinking I was I was

Oh
Flyer dancing on the skylite
By play of my youth
Like a cryer clinging to a shadow
I go on and on and on on
And wishin' and
Thinking of you

I was thinking oh I was just thinking
Fly me awayyyyyyyyyyyyyyy
Flyyyyyyyyyyyyyyyer

You could make it last a long time
Well, for all time
For always
You could make it last forever
Was just thinking
Oh I was just thinking I was I was
OH...la la la la la laaaaaaaaaaaaaa
Da da da
Da da daaaaaaaaaaaaaaaaaaaa

So when I sing my song
When my heart is beating stronger
I'm flying away
Flying away
OHHHHH
Flyyyyyyyyyyyyyyy me away
Fly me away
OHHHHH

Na na na na na naaaa na na
Na na naaaaaaaaaaaaa
Na
Na na na na na naaaa na na
Na na naaaaaaaaaaaaa

AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH

I was just thinking....
