Cyndi Lauper, I Don't Want To Be Your Friend

I don't wanna see your face
I don't wanna hear your name
I don't wanna thing
Just stay away baby
Don't wanna know if you're alright
Or what you're doin' with your life
Don't wanna hear that you'll stay in touch maybe

I'll get just fine
So if you're goin' then darlin' goodbye, goodbye

Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
I'm not over you yet
And I don't think I care
And I don't want to be your friend

I'll forget we ever met
I'll forget I ever let
Ever let you into this heart of mine baby
You just gotta let me be
You gotta keep away from me
'Cause all I want to be is just free of you baby
Don't you come around
And say you still care about me
Go now, go now

Don't call me in the middle of the night...

You take it casually, and that's what's killing me
I'll get by just fine
So if you're goin' then darlin' goodbye, goodbye

Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
No, no baby
Don't call me in the middle of the night no more
I don't want to be your friend
Don't think that it will be the way it was before
I don't want to be your friend...
