Cyndi Lauper, I'm Gonna Be Strong

I can see
You're slipping away from me
And you're so afraid
That I'll plead with you to stay
But I'm gonna be strong
And let you go your way

Love is gone
There's no sense in holding on
And your pity now
Would be more than I could bare
But I'm gonna be strong
And pretend I don't care

I'm gonna be strong
And stand as tall as I can
I'm gonna be strong
And let you go along
And take it like a man

When you say it's the end
I'll hand you a line
I'll smile and say
Don't you worry I'm fine
But you'll never know darling
After you kiss me goodbye
How I'll break down and cry.
